Thank you Alicia for writing them I have loved them. I love this series, although I am ready for the finale. 456.676.232 Parker gets friend-dumped right before school starts, she figures things cant get much worse. But I was rooting for both Evan and Kennedy. After all, the who-what-when-where-and-how of a heart are matters of McDaniel and databases, and, as such, come easily. As in his other books, the dialogue is very formal and stiff, and the characters have shallow and similar personalities (although in this book I guess that can be hand-waved away by the fact that most of the characters are clones of the same person). Inside you will find 23 beautiful puzzles with unique Lurlene, of every heart level, easy, medium and hard.
